3. **Offers and Registration**

- 3.1 By accepting an offer of a place at BIMM Institute you are entering into an agreement with us in accordance with these Terms and Conditions (the "**Contract**").
- 3.2 Your admission to BIMM Institute is subject to you complying with the terms of the Contract. If you do not act in accordance with the Contract, or if you do not meet our expectation that you will maintain a standard of conduct, as specified in the [Student Code of Conduct](#) (which you can also access from the Important Regulations and Information document) which is not harmful to the work, good order or good name of BIMM University, we may take disciplinary action against you, under the [Student Disciplinary Procedure](#) (you can also access this from the Important Regulations and Information document). One of the possible outcomes of such an action is that your Contract with us may be terminated in accordance with clause 11.1 below and you may be removed from your course.
- 3.3 The offer we make to you is subject to you satisfying the academic requirements for admission set out in your offer letter. The offer may be conditional or unconditional. If the offer is conditional, we will set out the conditions you need to fulfil in order to be admitted to the course, in your offer letter. If you have not fulfilled the conditions of your offer before the date notified to you in the offer letter prior to the start of the course, we reserve the right to withdraw the offer.

- 3.4 We may withdraw or amend any offer, without liability to you, if we discover that your application contains material inaccuracies or fraudulent information or if you are found to have omitted key information from your application.
- 3.5 At our request, you will provide satisfactory evidence of your qualifications (including English language qualifications if required) before admission. Failure to provide such evidence to our reasonable satisfaction will result in the withdrawal or termination of your offer, the revocation of your registration as a student of BIMM Institute and/or the termination of the Contract. We will verify the authenticity of documentation required to evidence your qualifications prior to admission as appropriate. You must register by the start of week 5 in term 1. You will not be able to register and commence your studies if you have not met the entry requirements set out in your offer letter, and if you have not provided certificates/proof of qualifications obtained or payment of fees/confirmation of your student loan.

4. Your right to cancel

- 4.1 You have the right to cancel the Contract within fourteen (14) days after the date on which you accepted the offer of a place to study at BIMM Institute (the “**Cancellation Period**”).
- 4.2 To cancel the Contract, you must give us written notice of your cancellation by contacting Admissions: admissions@bimm-institute.de. You can use our [cancellation form](#) but you do not have to do so.
- 4.3 If any payment has been made to us and you subsequently cancel the Contract pursuant to your right to cancel as set out in clause 4.1, we will provide you or the person who has made such payment (as the case may be) with a full refund.
- 4.4 You may terminate the Contract after the expiry of the Cancellation Period referred to in clause 4.1, but in such case, you must do so in accordance with clause 10 of these Terms and Conditions.

5. Your obligations

- 5.1 You agree to fulfil all the academic requirements of your course in accordance with the Contract including, but not limited to, submission of course work and other assignments, attendance at examinations, attendance at lectures and seminars and any other such teaching forums provided by us.
- 5.2 You agree to familiarise yourself with and adhere to BIMM University's rules, regulations and policies. These are all published on our website, and you can access them directly from the Important Regulations and Information document.
- 5.3 You agree to comply with our [Student Charter](#), our [Student Code of Conduct](#) and the policy on Academic Misconduct as set out in the [Academic Regulations](#). Links to all of these documents are set out in the Important Regulations and Information document.

6. Our obligations

- 6.1 We shall deliver your course with reasonable care and skill and as described in the relevant course prospectus in all material respects.
- 6.2 We shall provide you with tuition and other teaching and learning support and resources associated with your course with reasonable care and skill and we shall provide you with timely feedback on your academic work.

7. International students

- 7.1 If you are a student from outside the European Union applying to study at BIMM Institute Berlin or BIMM Institute Hamburg you will need to demonstrate, at the point of registration, that you have a valid immigration status to undertake your course. A valid 'immigration status' includes a study visa issued by the German Embassy/ Foreign office, or an already established Aufenthaltserlaubnis (limited)/ Niederlassungserlaubnis/ Erlaubnis zum Daueraufenthalt-EU (permanent) in which case you will not require a visa. If you fail to demonstrate that you have a valid immigration status, we reserve the right to prevent you from registering on your course (without liability to you).
- 7.2 International students are advised to apply for visas in good time and a colour copy of such visas must be provided prior to registration. Please note that the German Foreign

Office (Landesamt für Einwanderung) advises that there is a process time of 25 days from the point of your visa application, however we advise allowing at least 90 days for the turnaround of your visa application as the German Foreign Office can experience high demand in the lead up to semester start dates. To apply for your student visa, you will need proof of acceptance of study at BIMM Institute Berlin or BIMM Institute Hamburg. The BIMM Institute Germany Admissions Department can issue this to you on acceptance of your offer of study and payment of your deposit (for further information see clause 8 below).

7.3 You will not be liable to pay the course tuition fees if a visa is not granted by the German Mission (Embassy), preventing your enrolment at BIMM Institute.

7.4 For further details, please see BIMM Institute's [Admissions Policy](#).

8. Deposit

8.1 The amount of any deposit you must pay will be set out in your offer letter.

Deposits are non-refundable except where:

8.2.1 a visa is not granted due to an error in the supporting evidence (proof of study document) provided to you by BIMM Institute in support of your visa application;

8.2.2 you are an international student and are unable to obtain a student visa necessary to study on the course and BIMM Institute is satisfied that you took all reasonable steps to ensure you obtained your visa prior to commencing your course and that the failure to obtain the visa was not your fault;

8.2.3 BIMM Institute is unable to confirm your place on the course because you do not meet the conditions of your offer of a place and you have provided proof that you do not meet the conditions of your offer by the deadline specified in your offer; or

8.2.4 [you cancel your acceptance of a place within the Cancellation Period (see clause 4); or

8.2.5 your application or your offer is withdrawn by BIMM Institute in accordance with clause 3.]

9. Tuition Fees and Funding

- 9.1 The tuition fees and any deposit applicable to your course and information in relation to how to pay for your course, or for modules within it, are set out in your offer letter and the Important Regulations and Information document.
- 9.2 There may be additional costs relating to your course which you agree to pay to BIMM Institute or to a relevant third party (as appropriate). Additional costs include, but are not limited to, costs relating to musical instruments, musical equipment, computers, IT equipment, hiring of music studios and other venues, compulsory texts, materials, printing costs and field trips. Where this is the case we will make this clear in advance as part of the information provided to you when you are made an offer and on our website at <https://www.bimm-institute.de/essential-documents/>.
- 9.3 If you accept an offer, you agree to pay all tuition fees (including any deposit) and additional costs as and when they fall due, in accordance with the payment terms agreed by you and us.
- 9.4 If you are required to pay a deposit, and you are unable to pay your deposit at the point of acceptance of your offer of study at BIMM Institute, then your deposit must be paid on or before 31st August and we will not be able to guarantee that there will still be sufficient availability on your chosen programme and we may offer the place on your chosen course to another applicant.
- 9.5 BIMM Institute's Admissions Department will advise you of this. If there is no longer availability on your chosen study programme, then you may be advised to apply for an alternative course of study or re-apply for a future academic year.
- 9.6 Proof of student loan or other funding body's acceptance of funding for the tuition fees, together with the extent of funding provided must be received by BIMM Institute on or before 30th August immediately preceding the start of the academic year, otherwise you may not be able to take up your place on the relevant course.
- 9.7 Should the funding available to you not cover the full extent of the tuition fees, payment of the balance of the tuition fees must be received by BIMM Institute on or before 15th

September immediately preceding the start of the academic year, otherwise you may not be able to take up your place on the relevant course.

- 9.8 If you do not intend to apply for or are not eligible for a student loan/ grant (via a funding body), full payment of the tuition fees for your course must be received in cleared funds by BIMM Institute on or before 15th September immediately preceding the start of the academic year, otherwise you may not be able to take up your place on the relevant course.
- 9.9 If you decide to study at BIMM Institute after 15th September, and there is still availability on your chosen academic programme, our Finance Department will contact you to arrange your deposit (if applicable) and tuition fee payment at the earliest opportunity in order to secure your place of study.
- 9.10 If requested by us, you will arrange for a guarantor acceptable to BIMM Institute to enter into an agreement with BIMM Institute whereby the guarantor guarantees the payment of your tuition fees and, any other amounts due, to BIMM Institute.
- 9.11 In the event that a third-party sponsor has agreed to pay all or part of your tuition fees, you remain primarily liable for the payment of the tuition fees and you should make arrangements to ensure that the tuition fees have been paid by your third-party sponsor.
- 9.12 Tuition fees are due for each full year of attendance. If you attend only part of a year you may still be charged the full-year rate.
- 9.13 Tuition fees for the first academic year of the course will be set out in your offer letter. For the reasons set out in clause 9.15, we shall review course fees on an annual basis and will publish tuition fees for the next academic year at least 6 months in advance of the start of that academic year. Tuition fees for subsequent years of any course may therefore be different from the first year and those set out in your offer letter. When we increase your fees, we will do so in compliance with the conditions set out in clause 9.15.
- 9.14 We will apply an inflationary increase to the tuition fee for all courses linked to the UK Retail Prices Index (RPI-X) in each Academic Year.
- 9.15 Fees may be increased during a student's course for the following reasons:

- 9.15.1 a requirement to further invest in the BIMM Institute estate/ facilities;
 - 9.15.2 a requirement to enhance the quality of the student learning experience; and
 - 9.15.3 in order to manage inflationary rises in operational costs.
- 9.16 If you are unhappy with the increase in tuition fees, you may terminate the Contract and/or withdraw from the course without incurring any liability to us for the increased tuition fees by giving BIMM Institute notice in accordance with clause 10.2.
- 9.17 Unless otherwise agreed by us, all fees must be paid by the deadline set out in these Terms and Conditions. We reserve the right to charge interest on a day-to-day basis on tuition fees and other amounts due which are unpaid after such time.
- 9.18 If you fail to pay your tuition fees as and when they fall due, we reserve the right to withdraw you from your course (without further liability to you) and seek to recover any debts. Students may not be allowed to register on their course or, if they have registered, may be expelled should their tuition fees remain outstanding after the deadline. If you do not pay your tuition fees, we reserve the right to withhold your results and we will not issue any course certificates or awards to any student who has not paid their tuition fees in full.

10. Withdrawal, deferral and intermission

- 10.1 You may withdraw from BIMM Institute and terminate your registration and the Contract at any time. On termination of your registration in accordance with this clause 10 you will remain liable to pay your tuition fees and any other amounts due, unless we have agreed to refund any tuition fees to you pursuant to clause 10.2.
- 10.2 To withdraw from BIMM Institute you must complete and submit a Withdrawal Form, which is available from your Student Support Team. Notice shall take effect on receipt.
- 10.3 For the avoidance of doubt, “**Withdrawal**” is to leave the course for reasons other than those related to clauses 9.16 or clauses 12 to 12.4, without the intention of returning in the future. “**Deferral**” is leaving the course at the end of an academic year intending to return a year later (taking a year out of your studies). Deferral is normally only permitted for one academic year. Further information is set out in the [Academic Regulations](#) (see also the Important Regulations and Information document).

- 10.4 In the event of your Withdrawal from the course prior to the last day of the fifth (5th) week of the first term, we may, at our discretion, agree to refund you up to a maximum of 75% of the total annual tuition fees for the course. In the event that less than 25% of the fee has been paid (through a funding body, or otherwise paid), no refund will be given.
- 10.5 In the event of your Withdrawal from the course on or after the last day of the fifth (5th) week of the first term, no refund or part refund of the annual tuition fees will be given, and you will remain liable for any balance of the tuition fees not received (through a funding body, or otherwise unpaid).
- 10.6 For the avoidance of doubt, “**Intermission**” is a period of temporary postponement of studies from an agreed point in one academic year to the same point in the next academic year. Intermission is normally only permitted for a maximum period of twelve months. In the event of Intermission, no refund or part refund of the tuition fees will be given. Liability for any tuition fees not received (through a funding body, or otherwise unpaid) will be determined by BIMM Institute and notified to you in writing. You will be required to pay full tuition fees in the academic year in which you return.

12. Changes to courses and modules

- 12.1 Due to the time period between prospectus publication and registration on your course, circumstances may change due to factors beyond our reasonable control and therefore it may sometimes be necessary to vary the content of the course or modules or services as described in the prospectus. We will use reasonable endeavours to ensure that changes are kept to a minimum, but if we need to make any material changes to your course (as described in your Offer Letter and/or relevant prospectus) before you register at BIMM Institute, we shall bring the changes to your attention as soon as possible and if you reasonably believe that the proposed changes will have a material prejudicial effect on you, you may either terminate the Contract and/or withdraw your application for the course without any liability to us for tuition fees, or transfer to another course (if any) as may be offered by us for which you are qualified.
- 12.2 We will use reasonable endeavours to deliver all courses as described in the relevant prospectus. However, we reserve the right to cancel a course if there are not sufficient student registrations to make a course viable. If you have received an offer for any course described in the prospectus, but we discontinue the course prior to you registering at BIMM Institute, we will notify you as soon as possible and we will use reasonable endeavours to offer you a place on a suitable replacement course for which you are

However, if we need to discontinue your course because of matters beyond our control, we will inform you as soon as is reasonably practicable and will use reasonable endeavours to transfer you to a suitable replacement course for which you are qualified. If you are unhappy with the replacement course offered by us or if we are unable to offer a suitable replacement course, you may terminate the Contract and/or withdraw from the course without incurring any further liability to us for tuition fees and you shall be entitled to a refund of all tuition fees paid to date.
- 12.4 Following suitable consultation with affected students, in circumstances where it is necessary to make a material change to your course (such as the nature of the award or in relation to a material aspect of the curriculum), we will notify you as soon as possible. If you are unhappy with the material change(s) to your course, you may terminate the Contract and withdraw from the course without incurring any further liability to us for tuition fees and you shall be entitled to a refund of all tuition fees paid to date.
- 12.5 We reserve the right to vary minor elements of your course from that described in the prospectus and/or your Offer Letter in order to improve the quality of educational services and ensure the student experience, in order to meet the latest requirements of a commissioning or accrediting body, or in response to student feedback. How we notify you will depend on the nature of the changes but, in any event, such changes will be published in the updated course information on our website.
- 12.6 The option modules available on your course are subject to variation dependant on minimum student numbers of fifteen students for each module and the availability of expert staff and module specific resources at your BIMM Institute college. We will ask you to choose your option modules towards the end of the academic year during the first and second years of your course and you may be required to choose new option modules if any that you have selected will not be available. Once this process is completed, we will confirm your final options to you in writing before the end of the academic year.

12.7 If you choose to cancel the Contract in accordance with clauses 12.1 to 12.4 we will use reasonable endeavours to assist you in finding an alternative comparable course with another Higher Education provider.

13. Liability

It is recommended that you insure personal property against such risk of loss and damage.

- 13.6 We shall not be liable to you in any manner whatsoever for any failure or delay, or for the consequences of any failure or delay, in performance of our obligations under the Contract, if such failure or delay is due to any event beyond our reasonable control (including, but not limited to strikes, lockouts or other industrial action, acts of God, severe weather, natural disasters, pandemic, quarantine or widespread illness, war, protest, riot, civil disorder or unrest, fire, explosion, an actual, suspected or threatened act of terrorism, national emergencies, any restrictions imposed by government or public authorities, breakdown of plant or machinery, actions or default of placement providers or default of suppliers or sub-contractors).
